

Bedfordshire Football League **Division Two 2008-09 Seasons** **Review**

The Division Two Championship race was from very early on in the season to in effect become a one team race, with **Blunham Reserves** quickly getting to the top of the table and staying there all season long to eventually claim the title by some eight points, along the way they tasted defeat just twice when **Meltis Corinthians Reserves** ended their seasons unbeaten league run in game number twenty-three of a twenty-six season programme, by which time the Championship Trophy had already been safely collected then in game number twenty-five, they failed to fulfil their away midweek fixture at **Meppershall Jurassic** as their players were required that evening to help out their first team in Premier Division Supported By Sportsform action at **Oakley Sports**.

Apart from these two defeats, just four teams took points off them all season, bottom club **Lidlington United Sports** drawing with them both home and away a feat also accomplished by **Great Barford** plus they were also held on their travels to **Clifton** when on the verge of collecting the league trophy in late March and in their last outing of the campaign at **Blue Chip**.

Meppershall Jurassic having finished fourth last term this time made no mistake to claim the runners-up spot and capped a fine season to collect The Jubilee Cup with a 4-2 final win over **Great Barford** who finished the season league wise eight points adrift of **The Jurassic Boys** in third slot some five places up on their eighth place finish in season 2007-08.

Great Barford's league promotion cause not being helped by their involvement in The Bedfordshire FA Junior Cup which they won with a 1-0 win over **Potton Wanderers** plus The Jubilee Cup which left them to play their final eleven league games of the season alongside these two cup finals all inside a space of thirty-nine days.

Taking up fourth spot in the league standing on the back of a ten game unbeaten run to finish the campaign were **Clifton** up six places from their 2007-08 finish whilst in fifth place were **Marabese Ceramics** the best placed of the 2007-08 promoted teams from Division Three.

The second of those promoted teams, **Potton Wanderers** were just a point adrift and making up the top six whilst last seasons Division Three champions **Kings AFC** will perhaps be somewhat disappointed with their seventh place finish to make up the top half of the table.

Heading the lower half of the table in eighth slot were **Marston Shelton Rovers** an improvement of one place from last term whilst below them in ninth place were **Meltis Corinthians Reserves**, a placing perhaps entirely down to their poor home form where they collected just twelve points all season whilst on their travels they were beat just twice and amassed a collection of twenty-three points.

Making up the top ten were **Oakley Sports Reserves** dropping from a last term sixth place finish.

After at one stage looking certain relegation candidates **Saffron** with three wins from their closing six games repeated their eleventh place finish of season 2007-08 just a point ahead of **Mulberry Bush** who having placed fifth last term were the seasons biggest droppers.

Thus leaving the two relegation spots to be occupied by **Blue Chip** after their promotion from Division Three last term and **Lidlington United Sports** who having escaped last season by just one place and three points this time around were not so lucky.

This weekend the weather was the big winner with the postponement of the games **Great Barford v Meppershall Jurassic**, **Lidlington United Sports v Marabese Ceramics**, **Marston Shelton Rovers v Clifton** and **Meltis Corinthians Reserves v Mulberry Bush**, but where play did go ahead it was the visiting sides that came out ahead in all three games none more so that league leaders **Blunham Reserves** who are now nine points clear at the head of the standings after a 4-2 victory at **Oakley Sports Reserves** to retain their seasons unbeaten record.

Third place **Meppershall Jurassic** however failed to close the gap on the top two despite holding onto their seasons unbeaten away record as they had to settle for a share of the spoils in a 3-3 draw at **Clifton**, two goals from **Jurassic** man Dan Nathalang looked to be setting them on the way to victory until just before half-time they were reduced to ten men when Craig Damon was red carded for a handball offence and from the resulting penalty Mark Gearing made it 2-1 and game on, Ed Brazuekas was to restore the visitors two goal advantage just a minute into the new period and despite a strike from William Pitts five minutes later the points looked to be **The Jurassic's** until up popped Garath Carter on 90 minutes to make it 3-3.

Potton Wanderers are now up into fourth spot after they blew away **Marabese Ceramics** unbeaten away record for the season 4-1 at Mill Lane, two goals from Amit Patel alongside strikes from Craig Schurek and James Hearson doing the damage against a lone reply from Richard Follano, elsewhere **Marston Shelton Rovers** made it three away wins on the bounce when they won 2-1 at **Kings AFC**, Robert Moore and Aaron Franks netting the vital goals to a home reply from Rowan Hazelwood.

For bottom of the table **Lidlington United Sports** it was a fine end to the year as they held fifth place **Meltis Corinthians Reserves** to a 3-3 home draw thanks to goals from Bernie Cruscoe, Richard Hillier and Simon Fitchett, but for second from bottom **Mulberry Bush** that first home win of the season must wait until 2009 after they were beat 2-3 by **Blue Chip** despite leading 2-1 until the last ten minutes, Darren Gough and Martin Ivy the home marksmen to **Chipmen** replies from Michael Lamont, Francis Vaughan and Pete Neale.

Yet it was all smiles for **Oakley Sports Reserves** who ended a seven game losing run with a 2-1 win at **Saffron**, Dan Newton and Ben Brown their heroes to a home reply from Tazi Ali.

Saturday 3rd January 2009

The New Year was to open with action in the opening round of The Jubilee Cup and for holders **Great Barford** there was the need of extra time before they booked their last eight spot with a 3-1 home win over **Marston Shelton Rovers**, Gary Russon had given **Barford** the lead fourteen minutes into the tie which Simon Craddock cancelled out for **The Rovers** two minutes later and until a penalty shoot-out was no more than five minutes before the scoreline was added to Mark Harlow shooting **Barford** 2-1 ahead and Russon adding a third two minutes later, the victory giving **Barford** a last eight tie at home against **Saffron** who were 4-1 home winners over **Lidlington United Sports**, Azar Nawaz with a brace plus Shezed Satter and Jahangir Ahmed netting the home goals to a lone reply from Graham Scott.

But the shock of the day was to see **Blunham Reserves** defeated for the first time this season when beaten 2-3 at home by **Meltis Corinthians Reserves** who will now travel to **Clifton** in the Quarter-Finals, Ben Flatters shooting the visitors ahead until from the penalty spot Chris Dunne level matters but it was another penalty this time from Earl Patterson who restored the visitors lead in the second half but no sooner was he their hero than he became their villain by missing from the penalty spot which would have taken them two goals clear a miss that looked to have been costly when Julian Munns levelled matters five minutes from

time, that was until Martisse Clarke saved his blushes with the visitors winning goal just three minutes later.

Last seasons Watson Shield beaten finalists **Kings AFC** safely made it into the last eight and a home tie against **Marabese Ceramics** after winning 5-0 at **Blue Chip**, braces from Marcus Tomlin and Rowan Hazelwood plus a goal from Michael Whealan doing the damage.

Meanwhile it was the end of the cup road for **Potton Wanderers** beaten in a penalty shoot-out at **Meppershall Jurassic**, a goal in normal time and another in extra time from James Hearson seeing the game deadlock at 2-2 after 120minutes until the home side whose goals had been netted by Craig Damon and Dan Taylor won the shoot-out 5-4 to book a trip to **Mulberry Bush** who netted a 4-3 home win over **Oakley Sports Reserves**, Martin Ivy the home hero bagging all four goals whilst the **Oakley** replies came via Ben Brown with a brace and Jason Angol.

Saturday 10th January 2009

The bad weather was to arrive to bring about a total postponement of all fixtures.

Saturday 17th January 2009

A return to action was to see the spotlight fall on the playing of the third round ties in this seasons Bedfordshire FA Junior Cup, **Marabese Ceramics** claiming a 4-2 home win over **Stevington** thanks to two goals from Denver Donaldson plus strikes from Rees Taylor and Gary Wing, whilst also up to a spot of giant killing were **Potton Wanderers**, 3-2 extra time winners at **Kempston Hammers Sports**, Charlie Seward, Joe Aris and Amit Patel netting the vital goals.

For **Great Barford** it was the requirement of a penalty shoot-out before they netted a home win over **Leighton United**, goals from Gary Russon and Daniel Stafford seeing the game deadlock at 2-2 before, Jonathon Prior, Daniel Jeffery, Russon, Jason Ames, George Harris and Richard Thornton became the penalty hero's in a shoot-out that went to sudden death.

Kings AFC meanwhile were having a much easier passage into the next round with a 5-1 home win over **Riseley Sports Reserves**, Rowan Hazelwood netting three times to be joined on the scoresheet by Ben Whelan and Mark Loosemore.

But for **Blunham Reserves** it will be a Bedfordshire FA enquiry after their home tie with Farley Boys was abandoned five minutes from time at which stage they lead 1-0 via a Joe Cooper goal.

The reduced Division Two league programme saw **Meppershall Jurassic** lose their seasons unbeaten away record and miss the opportunity to climb into second spot in the league table when beaten 3-1 at **Marston Shelton Rovers**, Aaron Franks with a brace and Chris Patrickson doing the damage to a reply from Shaheen Miah, but still holding onto their seasons unbeaten away ways are **Meltis Corinthians Reserves** who claimed a share of the spoils in a 1-1 draw at **Clifton**, John Sahota giving them the lead five minutes before half-time which was cancelled out five minutes after the break by a home goal from Alex Fisher.

The days other two games still sees **Mulberry Bush** looking for their first home win of the season after being beat 1-3 by **Oakley Sports Reserves**, Carl Townsend, Ben Brown and Craig Cook the **Oakley** marksmen to a **Bush** reply from Shaun Cafferty whilst **Lidlington United Sports** were 1-0 home winners over Saffron at Hurst Grove thanks to a goal from Louis Weedon

Saturday 24th January 2009

Blunham Reserves retained their ten point lead and the head of the Division Two table and their seasons unbeaten record when a goal from Dan Whitten just twelve minutes into the game was enough for them to collect the full three points from a 1-0 win at **Potton Wanderers** whilst second place **Meppershall Jurassic** were collecting a 4-2 home win over **Kings AFC**, **The Jurassic Boys** being gifted a opening own goal from ex player Jeff Dyer before a goal from Gary Davies made it 2-0 by the half-time break, Davies in the new period made it 3-0 until goals from Marcus Tomlin and Lee Morgan reduce the arrears to 3-2 until Danny Wing netted two minutes from time for the 4-2 final scoreline.

For **Marston Shelton Rovers**, it was a end of their three game winning away run when beaten 2-1 at **Meltis Corinthians Reserves** who now climb above them in the league table into fourth slot, Lee Dudley giving **The Rovers** a first half lead but back came **The Meltis** in the second period Tony Milioti levelling matters before from the penalty spot Earl Patterson netted the winner two minutes from time.

With the **Great Barford v Mulberry Bush** and **Saffron v Lidlinton United Sports** games postponed due to waterlogged pitches the final game in this section saw **Marabese Ceramics** return to winning home ways with a 2-1 victory over **Oakley Sports Reserves**, Denver Donaldson and Richard Bruniges the home hero's to a reply from **Sportsmans** Ben Brown.

Saturday 31st January 2009

Blunham Reserves march towards the Division Two title continues after they took their unbeaten ways to fourteen games with a 3-1 home win over **Marabese Ceramics** to remain ten points clear at the head of the league table, the visitors were to go in front when Paul Smith gifted them the lead twenty minutes into the game with an own goal but a strike from Matthew Geaves on the half-hour and a returned own goal saw **Blunham** lead 2-1 by the break, a scoreline Rob Lawrence was to add to ten minutes from time.

Second place **Meppershall Jurassic** also had to come from a goal behind to net a 3-1 home win over a **Meltis Corinthians Reserves** side that were losing for the first time on their travels this season, Anup Kalyan netting the goal to take **The Sweetboys** into a 1-0 lead at the break until second half strikes from Craig Richards, Craig Damon and Ed Brazauskas took **The Jurassic Men** to the three points.

Jumping up now into third spot in the table are **Marston Shelton Rovers** who run out 5-2 home winners over **Blue Chip**, braces of goals from Stuart Mann and Aaron Franks plus a strike from Sundip Jarmil doing the damage to replies from Michael Lamont and Francis Vaughan to lift them above **Great Barford** who were beat 1-2 at home by **Kings AFC**, the visitors with goals from Marcus Tomlin and Oliver Plested lead 2-0 early in the opening half until Gary Russon reduced the arrears nine minutes into the second half.

The days other three games in this section all also went the way of the visitors, **Lidlinton United Sports** netting their first away win of the season 5-1 at **Mulberry Bush**, where John Drea was on the mark four times and Scott Kent once against a home reply from Shaun Atkins whilst **Potton Wanderers** made it three away wins on the bounce with a 4-1 victory at **Saffron**, goals from Charlie Seward twice plus Steve Smith and Chris Sams doing the damage against a home reply from Mohammed Zahar whilst **Oakley Sports Reserves** were 4-2 winners at **Clifton**, Carl Townsend and Tom Redmond both on the scoresheet twice to home replies from Alex Fisher and Greg King.

Saturday 7th February 2009

The bad weather was to return and cause the second total wipe-out of all fixtures this season.

Saturday 14th February 2009

Just one game this weekend was to beat the weather, in which **Potton Wanderers** with a 8-1 home win over **Mulberry Bush** are now up to third spot in the Division Two league table

whilst poor old **Mulberry Bush** are still rooted to the bottom of the table, Dan Redbond giving **The Wanderers** a early lead until Ben Marwood levelled matters twenty minutes into the contest and that's the way the scoring remained right up until half-time but the day was to belong to **The Wanderers** when a second half hattrick from Chris Sams plus a brace from James Hearson and single strikes from Craig Schureik and Joe Aris took the home side seven goals clear by the final whistle, **The Bushmen's** cause not being helped when goalkeeper Laurie Hodd was forced to leave the pitch injured trying to prevent the home sides third goal and his side left to play the rest of the game with just ten players.

Saturday 21st February 2009

Action for Division Two sides today came in both The Jubilee Cup and Bedfordshire FA Junior Cup Quater-Final ties.

In The Jubilee Cup, **Meltis Corinthians Reserves** are safely into the last four of this seasons Jubilee Cup when two late goals from Jacob Corbin and Mufaro Mashawira cancelled out a first half goal from Robert Harradine to take them to a 2-1 victory at Clifton and they now await the outcome of next weekends **Great Barford v Saffron** tie to see where they travel to in The Semi-Final

Its a similar story for **Meppershall Jurassic** who after winning 6-1 at **Mulberry Bush** must now wait for **Kings AFC** and **Marabese Ceramics** to sort out who will host them in the Semi-Final, **The Jurassic** with goals from Danny Wing and Dan Taylor lead 2-0 at half-time which was increased to 6-0 with strikes from Craig Richards, Jamie Underwood, Craig Damon and Shaheen Miah before Ellis Joseph netted **The Bushmen's** lone reply.

Whilst in The Bedfordshire FA Junior Cup, **Great Barford** made their way into the hat for the Semi-Final draw when a goal from Gary Russon twenty minutes from time netted them a 1-0 win home win over **Marabese Ceramics** whilst joining them in that hat are **Potton Wanderers** who have be given a bye following both **Blunham Reserves** and Farley Boys being removed from the competition by The Bedfordshire FA following the inquiry into the abandonment of their Third Round tie..

Saturday 28th February 2009

Blunham Reserves are now thirteen points clear at the head of the Division Two table after netting a 2-0 home win over second place **Meppershall Jurassic** to remain unbeaten in league action this season, first half goals from Matthew Geaves and Mark Davidson doing the damage.

Potton Wanderers started the day in third spot but were to end the day in fifth slot after losing 2-4 at home against **Clifton**, Barry Hallybone giving the visitors the lead but by half-time Antony Schurk had struck to draw **The Wanderers** level but the new half saw a brace of goals from Greg King plus a strike from Mark Gearing take Clifton 4-1 clear until Steve Smith netted late on for **The Wanderers**, their third spot in the table being taken over by **Marston Shelton Rovers** who were 5-3 winners at **Lidlington United Sports** thanks to a Aaron Franks hattrick and goals from Stuart Mann and James Burraway against **United** replies from Chris Robert, Andrew Smith and Gary Smith whilst now up into fourth place are **Meltis Corinthians Reserves** 2-1 winners at Oakley Sports Reserves, Jacob Corbin doing the damage with both goals against a home reply from the penalty spot from Tom Redmond.

But for start of play bottom of the table **Mulberry Bush** it was a day to celebrate has they not only ended a four game losing run and lifted themselves out of the drop zone with a 2-1 win at **Blue Chip** but both their goals came from 21st birthday boy Shaun Cafferty either side of James Bowen drawing the home club level just before the break.

Whilst away from the league action in The Jubilee Cup,,**Great Barford** will now host **Meltis Corinthians Reserves** in The Semi-Finals after a 3-1 home win over **Saffron**, it was the visitors with a goal from Junaid Miah after eight minutes who lead at the break but three second half penalties all converted home by Daniel Jefferies saw **Great Barford** to victory,

joining them in the last four are **Kings AFC** who needed a penalty shoot-out to overcome **Marabese Ceramics**, Colin Standley giving The Ceramics a first half lead which on sixty-five minutes was cancelled out by Josh Clements and that's the way it stayed after 120 minutes play, Alan Sacbucker, Steve Wilson, Marcus Tomlin and Dan Footer on the mark from the spot for **The Kings** whilst just Richard Fallano and Ressa Tudball found the back of the net for the visitors, **Kings AFC** will now host **Meppershall Jurassic** in The Semi-Final.

Saturday 7th March 2009

League leaders **Blunham Reserves** took their seasons unbeaten ways to sixteen games to remain thirteen points clear at the head of the league table with a 4-0 win at **Mulberry Bush**, Mark Davidson from the penalty spot opening the scoring in the last minute of the opening half before Dan Whitten stole the show with a second half hat-trick, but second place **Meppershall Jurassic** are far from giving up the chase after extending their winning home ways to seven games with a 6-0 win over **Lidlington United Sports**, Craig Richards and Jamie McGregor both on the scoresheet twice alongside strikes from Dan Taylor and Shaheen Miah.

Up into third spot now are **Potton Wanderers** after their 6-3 away win at **Marston Shelton Rovers**, the morning's third slot occupants, Joe Aris netting twice supported by goals from Chris Sams, James Hearson, Chris Munns and Jack Aris against home replies from Aaron Franks, Mark Champkin and Antony Henman whilst **Great Barford** did their promotion chances no harm at all when retaining their seasons unbeaten league ways with a 2-1 win at **Meltis Corinthians Reserves**, Matthew Smith putting **Barford** ahead eighteen minutes into the game which Ben Parratt cancelled out six minutes later only for Gary Russon to net what turned out to be the winning goal six minutes into the new half.

Elsewhere it was also not a good day for two other home sides, **Clifton** despite two goals from Mark Gearing losing out 2-6 to **Marabese Ceramics** whose goals came via a Darren Payne hat-trick, a brace from James Tizard and a lone goal from Colin Stanley plus **Blue Chip** were beat 2-3 on home soil by Oakley Sports Reserves, Daniel Lupton and James Bowen netting the home goals whilst **The Sportsmens** strikes came via a brace for Jamie McCelland and Ben Brown.

The final game in this section seeing Kings AFC and Saffron play out a 0-0 draw.

Saturday 14th March 2009

This seasons Bedfordshire FA Junior Cup Final will be a all Bedfordshire Football League affair between **Great Barford** and **Potton Wanderers** after they both came up with away Semi-Final wins, **Potton Wanderers** found themselves a goal down after just five minutes at Luton District & South Beds League side USL Galacticos but a penalty from James Hearson drew them level twenty minutes into the game before Jack Aris hit the second half winner twenty-five minutes from time.

For **Great Barford** it was a 3-1 win at Caldecote A, David Fitzsimmons giving them a first half lead which Jack Boyd cancelled out from the penalty spot only for **Barford** to win the day with two goals from Tom Hobbs and Gary Russon in the games closing three minutes.

In The Jubilee Cup, **Meppershall Jurassic** made their way into the clubs first ever Cup Final where they will meet either **Great Barford** or **Meltis Corinthians Reserves** after winning 4-1 at **Kings AFC**, the game in effect being all over by half-time after braces of goals from Craig Richards and Shaheen Miah saw them lead 4-0 before Rowan Hazelwood netted the home sides lone second half reply

Whilst in league action leaders **Blunham Reserves** maintained their seasons unbeaten record and went fourteen points clear at the head of the league table on a afternoon they will

perhaps still want to forget after being held to a 0-0 draw at home by **Lidlington United Sports** who sit just three places off of the bottom of the league table.

Elsewhere however it was a day for the home sides, all four winning without conceding a goal between them, **Meltis Corinthians Reserves** keeping their promotion hopes alive and moving up into third spot in the league table with a 4-0 win over **Blue Chip**, two goals from Ashley Duckworth and strikes from Mufaro Mashavir and Jeramine Mills doing the damage whilst **Marabese Ceramics** kept themselves in the promotion mix with a 4-0 win of their own over **Saffron**, first half goals from James Tizard and Lou Marabese being added to in the new half by a second goal from Tizard and a strike from Gary Bottazzi.

For **Oakley Sports Reserves** it was the end to a four game losing home run with a 3-0 win over second from bottom of the table **Mulberry Bush**, Scott Cook and Nathan Byrne netting in the opening half before Tom Redmond struck after the break and **Clifton** came up with their first home win in seven outings with a 1-0 victory over **Marston Shelton Rovers**, the vital goal coming from a Robert Harradine penalty just ten minutes from time.

Saturday 21st March 2009

Is the pressure beginning to get to league leaders **Blunham Reserves**? who despite holding onto their seasons unbeaten record were held to a draw for the second weekend running this time 1-1 at **Clifton**, Chris Dunne giving **Blunham** the lead twenty minutes from time which was cancelled out by a strike from Mark Gearing ten minutes later and their lead at the head of the table is down to twelve points after second place **Meppershall Jurassic** who also have a game in hand run out 2-1 home winners over **Marabese Ceramics**, first half goals from Shin Miah and Craig Richards setting up their eighth home win on the bounce before James Tizard replied for the visitors.

Down at the bottom of the table **Mulberry Bush** now find themselves on the bottom rung after being beat 5-0 at **Saffron**, thanks to a hattrick from Zulfgar Ahmed and strikes from Mohamend Rahman and Shazed Sattar, **Saffron** now also climbed above **Lidlington United Sports** on goal difference after they could only shared the spoils in a 1-1 draw at **Blue Chip**, Peter Neal giving **The Chipboys** a early lead until Louis Weedon levelled matters in the second half.

Whilst **Great Barford** will have a chance to defend The Jubilee Cup they won last season against **Meppershall Jurassic** in this seasons final after a Garry Russon goal five minutes into the second half brought them a 1-0 Semi-Final home win over **Meltis Corinthians Reserves**.

Saturday 28th March 2009

League leaders **Blunham Reserves** remaining twelve points clear at the head of the table and still unbeaten for the season after a 3-2 home win over **Marston Shelton Rovers**, Jordan Carbonnellie giving **The Rovers** the lead until goals from Matthew Geaves and Daniel Whitten saw the league leaders lead 2-1 by the break but a second strike from Carbonnellie soon levelled matters until Mark Davidson hit the home sides winner twenty minutes from time, keeping up the pressure on the leaders however are **Meppershall Jurassic** who won 6-2 at **Oakley Sports Reserves**, the home strikes coming via Jamie McCelland and Steve Stanford.

For third place **Meltis Corinthians Reserves** however it was a 2-9 home beating by **Kings AFC**, Marcus Tomlin with a hattrick, Josh Clements with a brace plus Lee Morgan, Alan Sacbucker, Danny Cain an a own goal making their way onto the **Kings** scoresheet against home replies from Martease Clarke and Anil Jhalli but fourth place **Potton Wanderers** were to see their home game with **Blue Chip** postponed after the visitors failed to arrive at Mill Lane.

Marabese Ceramics are now up into fifth spot after winning 5-1 at the now new bottom of the table **Lidlington United Sports**, an own goal plus strikes from Darren Payne, Gary Bottazzi, Colin Standley and James Tizard doing the damage against a home reply from Scott Kent, **United** moving onto the base of the table after **Mulberry Bush** came up with the result of the day winning 5-1 at **Great Barford**, 3-0 ahead by the break with goals from Shaun Cafferty, a Ben Marwood penalty and Martin Ivy they were to be pulled back to 1-3 when Daniel Jeffrey netted from the penalty spot until both Cafferty and Ivy netted again .

The Bush also climbing above **Saffron** who were beaten 0-2 at home by **Clifton**, Barry King giving the visitors the lead on 25minutes which was increased ten minutes later when King was upended in the box and Mark Gearing slotted home the resulting spot kick.

Wednesday 1st April 2009

Blunham Reserves remain unbeaten for the season and now thirteen points clear at the head of the league table despite being held to a 2-2 draw at **Great Barford**, goalless at the break, Matthew Geaves netted to place **Blunham** ahead a minute into the second half before Daniel Jeffrey levelled matters, on the hour mark Jamie Hay regained the lead for the league leaders only to see Jason Ames square matters up at 2-2 ten minutes later.

Blunham Reserves lead at the head of the table increasing after second place **Meppershall Jurassic** were beat 3-0 at **Kings AFC** whose goals came from Marcus Tomlin, Lee Morgan and Josh Clements, whilst **Mulberry Bush** gained a vital point in the efforts to beat the drop by drawing 0-0 at now up to third spot **Marabese Ceramics**

Saturday 4th April 2009

Blunham Reserves remain thirteen points clear at the head of the table and well on course for the league crown after goals from Paul Damon and Daniel Whitten ensured they remain unbeaten on the road this season with a 2-0 win at Kings AFC, but the quest for that second automatic promotion spot is very much wide open after wins for the next five sides in the league table, second place **Meppershall Jurassic** winning 8-3 at **Meltis Corinthians Reserves** despite home strikes from Mufaro Mashavira, Harry Ellis and Earl Patterson whilst there was also an away win their five on the bounce for third place **Potton Wanderers** 4-1 at **Oakley Sports Reserves**, Jack Aris and Joe Aris netting for **The Wanderers** in the opening half to a reply from Ben Brown before a second half brace from Chris Sams saw **The Wanderers** to the three points.

Another side winning on the road were fourth slot **Marabese Ceramics** 5-0 victors over a **Blue Chip** side that has failed to win any of its last eight home games, Denver Donaldson bagging an hattrick supported by strikes from James Tizard and Rick Bruniges and for fifth place **Marston Shelton Rovers** after three straight defeats it was a return to winning ways with a 3-2 home win over **Saffron**, goals from Simon Caddock, Aaron Franks and Chris Patrickson doing the damage against replies from Haider Rahman and Jatinder Bhangle while sixth place **Great Barford** came up with their first home win in five outings 3-0 over bottom of the table **Lidlington United Sports**, all the goals coming in the closing twenty minutes, an own goal the first before goals arrived via George Harris and David Haverley.

The days other game seeing **Clifton** take their unbeaten ways to four games with a 2-1 home win over **Mulberry Bush**, home strikes from Lee Austin and Barry Hallybone arriving before Martin Ivy reduced the arrears a minute from time.

Monday 6th April 2009

Second place **Meppershall Jurassic** promotion hopes took a big knock when beaten 0-3 at home by a **Clifton** side coming up with their third away win on the bounce, Alex Fisher opening the scoring twenty minutes into the game which was then doubled ten minutes later by Barry Hallybone until Fisher with his second goal of the evening fifteen minutes from time sealed the points for the visitors, **The Jurassic Boys** cause not being helped by wins for both

Marabese Ceramics and **Great Barford, The Tilers** moving up into third slot via a 3-1 home victory over **Marston Shelton Rovers**, Denver Donaldson slotting them in front after just four minutes until Jordan Carbonnelle levelled matters for **The Rovers** just seven minutes later and that's the way it stayed until the 87th minute when Darren Payne regained the lead for the home side which was added to by a second Donaldson goal two minutes later.

For **Great Barford** it was a 5-3 home win over **Blue Chip** who are now without a win in their last seven outings and down into the bottom four of the league standings, first half goals from Luke Haveley, Gary Russon and Mark Harlow against replies from Francis Vaughan and Mark Levy saw the home lead 3-2 at the break before further strikes from Russon, and Nick Atterwater took them 5-2 clear until Tom Liptrot netted the final goal of the night.

Meanwhile **Saffron** were lifting themselves out of the drop zone with a 4-1 win at **Meltis Corinthians Reserves**, 3-0 ahead at the break with two goals from Shezad Sattar and a strike from Mohammed Rahman, the second half saw Sattar complete his hattrick before the home goal arrived late on via Neville Allen.

Saturday 11th April 2009

Blunham Reserves are the new Division Two Champions after first they netted a 3-2 home win over **Saffron** then heard the news that **Great Barford** in a later kick off had been held to a draw at **Marston Shelton Rovers**.

Ed Davies claimed Blunham's first goal to see them lead 1-0 at the break but strikes from Shazad Satter and Piyaz Hussian placed **Saffron** ahead 2-1 until Matthew Geaves levelled matters you then take your choice if you listen to **Blunham**, Alan Brown hit the winner or you accept the Saffron version that the winning goal came via a Hasnain Rahman own goal.

Blunham's title being confirmed by **Great Barford's** failure to collect the three points at **Marston Shelton Rovers**, Aaron Franks putting **The Rovers** in front after just ten minutes but a Richard Thorton goal twenty five minutes from time maintained the visitors seasons unbeaten away record and kept them very much in the promotion race.

However **Meppershall Jurassic** still perhaps look the favourites for that second automatic promotion spot after they run out 6-3 winners at Blue Chip, Shaheen Miah and Craig Richards both netting twice alongside Pat King and Luke Gunn for **The Juraasic Boys** against home replies from James Bowen twice and Francis Vaughan and still very much in that promotion hunt are **Potton Wanderers** who are now unbeaten in their last six away games after a 3-2 win at **Marabese Ceramics**, Dan Redbond, Antony Schurek and Jack Aris the **Wanderers** marksmen to home replies from Colin Standley and Ricky Bruniges.

Down at the bottom end of the table **Mulberry Bush** lifted themselves out of the drop zone thanks to a 4-1 away win at **Meltis Corinthians Reserves**, braces of goals from both Shaun Cafferty and Martin Ivy arriving before the lone home reply from Majid Nadeem, but **Lidlington United Sports** hopes of beating the drop took another knock when they were beat 4-1 at **Clifton**, Mark Gearing, Lee Austin, Greg King and Barry Hallybone all netting for the home side against a Simon Fitchett reply.

The days final game giving **Oakley Sports Reserves** a 4-0 home win over **Kings AFC**, where first half goals from Charlie Rogers and Carl Townsend were added to in the second period by Jason Angol and Carl Warner.

Monday 13th April 2009

Lidlington United Sports enhanced their hopes of beating the drop when after trailing **Kings AFC** 0-2 at half-time on Easter Monday they claimed their first win in seven outings with a 90th minute winner, two headed first half goals both from corners by Lee Morgan saw **Kings AFC** in the driving seat at Hurst Grove before the home side fought back in the second

period, strikes from Michael Smith and Chris Roberts drawing them level until Andrew Meekins completed the recovery with a 90th minute winner.

Saturday 18th April 2009

For the newly crowned Division Two champions **Blunham** it was an end to their seasons unbeaten ways in this game number twenty-three when beaten on home soil by **Meltis Corinthians Reserves**, Earl Patterson with a hat-trick plus Harry Ellis the winners marksmen to home replies from Ed Davies and Julian Munns, but for second place **Meppershall Jurassic** it was a big blow to their promotion hopes when **Saffron** lifted themselves out of the drop zone with a stunning 8-1 home win over them, Tazi Ali, Ayyaz Hussain and Shezad Satter all netting twice alongside single strikes from Mohammed Rahman and Mohammed Zahar.

This defeat for **The Jurassic Boys** all good music to the ears of third place **Potton Wanderers** who move to within five points of them with two games in hand despite being held to a 0-0 home draw by a **Great Barford** side who remain unbeaten on the road this season and are themselves far from out of the promotion race sitting just three points behind **The Wanderers** and also having played a game less.

Splitting these two clubs in the league table at the moment are **Marabese Ceramics** who run out 6-0 home winners over **Kings AFC**, Romano Marabese netting twice whilst single goals also came via Colin Standley, Ricky Brungies, Gary Wing and Andy Machell.

With the result of the Saffron win, **Mulberry Bush** now find themselves back in the bottom two after a 1-3 home reverse at the hands of **Marston Shelton Rovers**, Aaron Franks twice and Chris Patrickson the Rovers scorers to a Bush reply via Martin Ivy.

Monday 20th April 2009

The action this evening was to see newly crowned champions **Blunham Reserves** have just a Matthew Geaves goal to show from a 1-1 draw at **Blue Chip** where the home sides gaining of a point thanks to a Francis Vaughan goal in their quest to beat the drop was made even better by the news that fellow strugglers **Saffron** had suffered a 1-0 defeat away at **Oakley Sports Reserves**, a Ollie Housden goal doing the damage.

The nights final game in this Division seeing **Clifton** take their unbeaten ways to seven games with a share of the spoils in a 2-2 draw at **Kings AFC**, a Michael Whelan penalty plus a goal from Nathan Clements on the scoresheet for the home side against **Clifton** replies from Tony Norman and Mark Gearing.

Tuesday 21st April 2009

A lone goal from **Great Barford** skipper Daniel Jeffrey after just six minutes play was enough to take his side to victory in The Bedfordshire FA Junior Cup Final on Tuesday evening under Potton United's floodlights over **Potton Wanderers**

The games opening chance however was to see **Wanderers** Amit Patel have a header cleared off the line by Nick Rogers after just four minutes before Jeffrey struck with what was to turn out to be the winning goal just two minutes later, breaking free from the half-way line his shot across the face of goal gave **Wanderers** goalkeeper Nathan Hutchinson no chance of keeping out but however it still required the help of the far post before it landed into the back of the net.

Jeffrey and Hutchinson were then again in a duel four minutes later but this time Hutchinson got down well to push the **Barford's** man effort around his post which in effect was to turn out to be the last chance the 200plus crowd had of seeing another goal before the half-time break.

The new period started with Mark Harlow pushing a effort wide of the posts from right in front of goal five minutes into the action which would have seen **Barford** go two goals clear before **The Wanderers** begun to enjoy the better of the play yet it was to take them twenty minutes to come up with a real goal scoring opportunity then two were to arrive inside a minute, first James Hearson being guilty of blasting wide of the **Barford's** uprights from just six yards out having been found unmarked by Zak Henry then Henry himself lifting a effort over the crossbar from a similar distance.

The Wanderers were still pressing forward and only a fine save from **Barford's** Danny Freeman prevented Hearson gaining a deserved equalizer after he had linked up with Chris Munns and Jack Aris in the move of the game twelve minutes from time until with the game deep into time added on Nick Attwater was forced to make a last ditch block to deny Henry and prevent the game going into extra time.

Saturday 25th April 2009

Meppershall Jurassic are now perhaps the favourites to collect this seasons Division Two runners-up medals after they put a big dent into the hopes of **Great Barford** collecting those gongs when they beat them 7-1 on their own patch, Craig Richards leading the way with a hattrick, Craig Damon netting twice plus Pat King and Jamie McGregor once to a home reply from Kiall Bagnell.

Marabese Ceramics however are far from giving up hope of those medals and it showed in their 6-0 home win over bottom of the table **Lidlington United Sports**, goals from James Tizard and Darren Payne taking them 2-0 ahead by the break which was added to in the second period by Payne, Lucio Marabese and Romano Marabese with a brace.

However slipping off the pace in the promotion race are **Potton Wanderers** who were beat 4-1 at **Kings AFC** to end their winning away run of six games, goals from Marcus Tomlin, Michael Whelan, Lee Morgan and Josh Clements taking **The Kings** to their first win in six outings whilst **The Wanderers** reply came via Jack Aris.

Clifton meantime were taking their unbeaten ways to eight games to stay fifth in the league table by sharing the spoils in a 2-2 draw at **Marston Shelton Rovers** who remain in sixth slot, Chris Patrickson netting a brace for **The Rovers** and Mark Gearing doing the same for Clifton.

Down at the bottom of the table, **Blue Chip's** plight deepens and they are now in real danger of being relegated after losing 6-2 at **Saffron**, Mohammed Zahar, Shezad Satter, Asaz Hussain, Imran Khan, Jatinder Bhangle and Husnaya Rahman the home marksmen to replies from Francis Vaughan and Daniel Lupton.

Monday 27th April 2009

Great Barford took themselves up to sixth in the league table and kept their promotion hopes alive with a 4-2 home win over **Saffron**, Gary Russon netting twice alongside Daniel Stafford and Luke Haverly whilst the visitors replies came via Husnaya Rahman and Ashad Hussain, sitting above **Great Barford** in fourth spot in the table are **Clifton** 2-0 winners at **Mulberry Bush** who remain in the second bottom spot, Tony Norman grabbing both goals and just one place above **The Bush** in the standings are **Blue Chip** who went down to a 0-8 home defeat at the hands of **Kings AFC**, Nathan Clements and Josh Clements netting twice alongside single strikes from Chris Greene, Lee Morgan, Michael Whealan and Marcus Tomlin.

Wednesday 29th April 2009

With a goal from Stephen Wilson **Kings AFC** were to earn themselves a point in a 1-1 home draw with **Marabese Ceramics** which means **The Tiler Men** whose goal came from James Tizard can now no longer finish the season in an automatic promotion spot, whilst **Potton**

Wanderers hopes of the same target were severely dented when they were beat 1-0 away at **Meltis Corinthians Reserves**, Mufaro Mashavira netting the lone goal of the game.

In the evenings only other game **Lidlington United Sports** took a big step forward in their efforts to beat the drop with a 3-2 away win at Saffron who themselves are still in danger of Division Three football next term, United's goals coming via Joe Burnham, John Drea and Andrew Smith whilst the home replies were netted by Jatinder Bhangle and Ayaz Hussain.

Jubilee Cup Final, Great Barford 2, Meppershall Jurassic 4

Cup Holders Great Barford perhaps came into this final staged at Caldecote FC Harvey Close Ground before a crowd of 125 the sight favourites to retain their trophy but they soon found themselves on the back pedal as The Jurassic Boys came out firing on all cylinders yet we were some thirteen minutes into the game before the Barford goal came under any real pressure when from a cross by Craig Damon, Shaheen Miah was to send a header flying over the crossbar but just two minutes later they did make their superiority tell by taking the lead and it was the same two players involved, this time a Miah pinpointed cross saw Damon outjump the Barford backline to glance a header passed a rooted to the spot Fraser Windram in the Barford net for the games opening goal.

Yet slowly but gradually the cup holders begun to get back into the contest and on the half-hour mark they were somewhat unlucky not to get back on level terms, seeing an effort from Gary Russon first cleared off the line by David Readman to fall at the feet of Tom Hobbs who duly sent the rebound flying inches wide of Jurassic goalkeeper Luke Damon uprights.

But as the game approached the break, it was The Jurassic Boys who were now looking the more likely to add to the scoreline and that's just what happen, but for a fine point blank range save by Windram to keep out Damon that would have arrived on 37minutes rather than two minutes later when from a Miah free kick layed across the edge of the penalty box we saw Dan Taylor's effort on goal take a wicked deflection off the legs of Barford full back Richard Thorton passed his own goalkeeper Windram to give Meppershall a 2-0 cushion which was to increase to three goals just a minute before the break, Jamie McGregor sending Damon romping free on goal and after he had out manoeuvre the out-rushing Windram from an acute angle he slotted home goal number three and now what looked like game over.

The Cup holders however were not yet ready to hand over their crown without a fight and within six minutes of the start of the new period they had the scoreline back to 1-3, Jurassic's Danny Wing failing to cut out a elimatory ball pumped high towards him and there was Russon to make him pay in full has he latched onto his error to slide the ball into the net, suddenly Barford had a new spring in their step and just six minutes later they reduced the deficit to just a single goal, it all started when Daniel Jeffery from twenty-five yards forced Jurassic goalkeeper Damon to tip his effort over the crossbar and from the resulting flag kick the ball eventually fell back to Jeffery whose cross deep onto the penalty spot saw Nicholas Attawater arrive late to send a powerful header passed Damon for a 2-3 scoreline.

Barford then surprisingly failed to capitalize on the panic that was now showing on the Jurassic Boys faces and it was their opponents who came the closest to adding to the scoreline, twice Damon was to send efforts just the wrong side of the woodwork until his third effort saw Windram spill his shot back into play yet just recover in quick enough time to prevent McGregor getting onto the ball first which with just seven minutes left to play would surely have been curtains closed for Barford.

Those curtains however were drawn just five minutes later when a telling run into the penalty box by Thomas Donnelly saw him upended by Attawater and from the resulting penalty upstepped Readman made it 4-2 and game over.

Great Barford, Fraser Windram, Keith Martin, Daniel Jeffrey, Murray Windram, Nicholas Attwater, Gary Russon, David Fitzsimmons, Mark Harlow, Jonathon Prior, Tom Hobbs, Richard Thorton, Subs Used, Daniel Stafford, Luke Haverly,

Meppershall Jurassic, Luke Damon, Jamie Underwood, Danny Wing, Craig Damon, Pat King, Craig Richards, Daniel Taylor, David Readman, Duncan Kiddie, Shaheen Miah, Jamie McGregor, Subs Used, Ben Meaney, Thomas Donnelly

Whilst in league action **Potton Wanderers** kept their hopes of a top three finish alive with a 2-0 victory at **Lidlington United**, goals from James Hearson and Charlie Seward doing the damage, the defeat keeps **United** rooted to the bottom of the league table and seemingly heading for Division Three football next season.

Monday 4th May 2009

Great Barford's hopes of the seasons runners-up spot was to vanish in thin air after a 8-2 away defeat at **Oakley Sports Reserves**, Ben Brown, Carl Warner and Ollie Housden all netting twice alongside an own goal plus a strike from Tom Redman, but with the home side later found to have played four first team players the points were awarded to the visitors.

For **Marston Shelton Rovers** and **Kings AFC** it was a share of the spoils in a 4-4 draw, Chris Patrickson with a brace plus an own goal and a goal Sunil Jaymal making onto **The Rovers** scoresheet against braces in reply from Josh and Nathan Clements.

Wednesday 6th May 2009

Lidlington United Sports Reserves remain rooted to the bottom of the day and in need of the three points when they travel to **Oakley Sports Reserves** at the weekend if they are not to be playing Division Three football next season after being defeated 1-2 at home by **Great Barford**, Daniel Jeffrey and Gary Russon on the scoresheet for **Barford** against a home reply from Lewis Weedon.

Saturday 9th May 2009

Meppershall Jurassic finally clinched this seasons Division Two runners-up medals by running out 5-1 winners at **Potton Wanderers**, two goals from Shaheen Miah plus strikes from Craig Damon, Craig Richards and Jamie McGregor doing the damage to a home reply from Zak Henry.

For, **Great Barford** its a third place finish after a 85th minute goal from Scott Moses took them to a 1-0 home win over **Marabese Ceramics** whilst for **Lidlington United Sports** after a 4-0 defeat at **Oakley Sports Reserves** its relegation and Division Three football next season, Ben Brown with a hattrick and Jason Angol on the scoresheet for **The Sportsmen**.

Monday 11th May 2009

The curtain came down on the 2008-09 season tonight when **Clifton** took their unbeaten ways to ten games with a 2-1 away victory at **Great Barford**, the points lifting them up a final finishing place of fourth in the Division Two table just a point shy of their hosts.

Mark Gearing giving Clifton the lead right on the stroke of half-time which was doubled via a goal from William Pitts twenty minutes into the second period until Gary Russon reduced the arrears five minutes from time.
