Season 2017-18

News Bulletin Number 34

22nd April 2018

Monday 16th April 2018

Premier Division supported by Sportsform action tonight saw Wootton Blue Cross take their winless home run up to six games when beaten 3-0 by AFC Oakley M&DH but that only tells you half of the tale because the game was played at Church Lane the home of M&DH. Elijah Hukin with a brace and Reuben Hukin netting the goals. Whilst back at Weston Park the home of the Blue Cross there was a 2-2 draw between Marston Shelton Rovers and Queens Park Crescents. Serge Kadji shooting the Crescents in front in the 13th minute before on the half-hour Raheem Shahinur doubled the lead. Rovers via Wes Burrows were back in the game five minutes later and when Kadji got himself sent off three minutes from half-time the Crescents were suddenly on the slide. However, despite the Rovers having much the better of the second half it took them until 13 minutes from time to draw level via Aaron Franks to earn a share of the spoils.

Brian Buck Travellers Tales

291st game of the season. (Match 12,623) Monday 16th April 2018. Marston Shelton Rovers 2 Queens Park Crescents 2 (Bedfordshire County League Premier Division) (Played at Wootton Blue Cross) att 20 approx. Tonight Wootton Blue Cross were also at home, but with the weather being so bad they decided a week or so back to play it at AFC Oakley M&DH, their opponents ground. Regular ground sharers Marston therefore waited and were rewarded when the weather changed over the weekend. But before a ball was kicked tonight they lost their regular keeper in the warm up and so an outfield player had to go in goal. At times this showed. On a very bumpy pitch and on a warm night,

compared with what I've had to put up with over the past five months, Crescents took the lead on 13 minutes. Not totally sure what happened here, but let's err on the safe side and call it a defensive cock up! On 30 minutes it was 0-2 after the scorer beat a defender to the ball and easily slotted the ball past the advancing keeper. On 35 minutes Rovers pulled a goal back with a shot which went through the keepers legs. But Crescents were claiming a handball in there somewhere. This goal upset their biorhythms a lot. Soon they had a player booked and then on 42 minutes they had a player, the scorer of the first goal, sent off for swearing at the ref. Things calmed down a bit after the break, but being a man down was too much for Crescents and on 77 minutes Rovers scored the equaliser, with a shot through a ruck of players, from the edge of the area. Despite Crescents selfdestructing a bit, a draw was probably the right result by the end. It was a decent game as well.

294. (12,626) (New ground 3,553) Wednesday 18th April 2018. AFC Kempston Town & Bedford College 3 Cranfield United 1 (Bedfordshire County League Premier Division) (6.15pm kick off) att 30 approx. This was my first visit to the hosts new Kingsfield ground and mighty impressive it is too. If you haven't been there and wonder what to expect then it's similar to a combination of Flitwick Town and Shefford Town & Campton's new grounds. There is plenty of scope to upgrade things here as well and the league is fortunate that they have these three Step 7 clubs who have been given the opportunity to move into these brand new facilities. The game tonight was keenly contested and it took Kempston just 11 minutes to take the lead. However Cranfield were level seven minutes later. Then on 22 minutes there was a controversial incident when it appeared that Kempston scored, only for the ref to pull play back and give them a spot kick. I wasn't close enough to see what happened, but I suspect that the whistle was blown just before the shot took place. There was nearly more controversy when the resultant spot kick was almost saved after the keeper dived the right way. But the ball just slipped from his grasp. At the break a player from each side spoke to the ref together. I wasn't in earshot, but I did note that after the break he was much quieter. The defining goal came on 73 minutes, giving Courtney Boughton, his second goal of the evening. However he missed a load more chances. Perhaps he needs to back to his former club, Potton United, to practice his shooting skills!
