Brian Buck Travellers Tales

61. (13,073) Monday 2nd September 2019. Biggleswade United U18 3 Sandy Reserves 3 (East Beds Charity Cup Preliminary Round) (Sandy Reserves won 6-5 on penalties) att 35 approx. This was a game which got better as it went along. In front of a rather sparse and mainly subdued crowd, United got off to a good start, forcing the Sandy keeper to make a number of spectacular saves. So when Sandy took the lead on 16 minutes with their first effort of the game it was a bit against the run of play. To rub salt into the wounds they doubled their lead on 35 minutes. It was a goal the United keeper won't want to watch again on You Tube! Then on 42 minutes

came the first sign that the young United side might get back into the match when someone 'heavily' nudged one of their players off the ball inside the area. Just how heavily he was nudged is up for debate, but the spot kick was converted. Then just before half time Sandy got their third goal. This was a rather nicely executed one, with the scorer managing to glance his header home a millisecond before the keeper got to the ball. At this point it seemed that Sandy would go on and win, but United pulled a goal back on 50 minutes. They then sensed that they could get an equaliser, but Sandy weathered most of what they could throw at then, until the 84th minute when a close range header made it 3-3. Onto penalties then after 16 spot kicks Sandy finally prevailed, thus bringing to a close a very watchable match under the lights.

63rd game of the season. (Match 13,075) Wednesday 4th September 2019. Caldecote 2 Biggleswade Reserves 1 (Bedfordshire County League Premier Division) (6.15pm kick off) att 75 approx. With cricket still in full swing here at Harvey Close, this game was played out on the back pitch and parking was actually on part of what would normally be the first team pitch. When the game started it was bright and sunny and the ref was intending to play 45 minutes each way. But he changed his mind when the local weather expert pointed out to him that it would be too dark by the end if he did this and he rightly shortened the game to 40 minutes each way. This was a powerful physical encounter and both sides went for it. None of this tippy tappy stuff across the back four here. I thoroughly enjoyed this game and it was a good old thud and blunder game like you used to get in the old days. In front of a surprisingly decent sized crowd Biggleswade for me had the slight edge in the first period, taking the lead on 17 minutes when the ball was passed almost across the goal line for the unmarked scorer to slot home at the far post. But on 27 minutes Caldecote were level after their scorer was played in and finished off well. Around this time some rain must have fallen close to where we were as an impressive rainbow appeared. Although there were no crocks of gold at its base there might have been some on the pitch as in the middle of the game we saw some dreadful tackles for which some refs might have issued red cards rather than yellow ones to the perpetrators. After the break Caldecote cranked up the pressure and they put Biggleswade under a lot of pressure. Finally, on 72 minutes they got the winner they ultimately deserved when ex-Potton United superstar, Dean Hamilton, stuck out a foot to divert home a hard cross from the left to leave the visitors keeper stranded.

64. (13,076) Wednesday 4th September 2019. Biggleswade United U23 1 Crawley Green Reserves 2 (Bedfordshire County League Premier Division) (7.45pm kick off) att 40 approx. After the previous match had finished we hot footed it over to Second Meadow where we found that we had missed seven minutes of this game, the pace of which was much more relaxed and trying to pass the ball accurately seemed to have greater priority. In short this was a completely different sort of match. Here it was good to meet up again with the BCL's Keith Redman, now recovering from his recent operation. He was here to watch his grandson, Marcus, run one of the lines. Because our minds were still on the previous match it was a bit hard for us to get into this game initially, but the first half seemed roughly even to us, with very few chances created by either side. However, United did take the lead on 36 minutes. After some welcome refreshments at the break the second half saw more activity at both ends of the pitch. Although United were still winning at this point, in the first 25 minutes of the new period they squandered at least six goal scoring chance against the one Crawley Green had and on 71 minutes they paid the penalty when on the far side of the pitch

a visiting player ran on to force the ball home. It was a bit difficult to see his shirt number though, but we tracked him down eventually. Now it was mainly Crawley Green as they rightly sensed that they could get the winner. It finally came on 88 minutes when a lovely low curling shot went in at the far post. It's always nice to see the ball go in like this when you are sitting directly behind the player shooting for goal. Overall a game which got better as it progressed and as we made our way home after its conclusion we remarked that we had seen two decent games tonight.
