Welcome to Second Meadow home of **Biggleswade United** our hosts for tonight's Bedfordshire County Football League Jubilee Cup Final for season 2012-13 between Marabese Ceramics and Oakley Sports M&DH Reserves.

The League Management Committee wishes to record there thanks to **Biggleswade United** for their hospitality tonight. Please support the club by using their refreshment and bar facilities this evening.

Jubilee Cup Previous Winners

The Jubilee Cup was first played for in season 1965-66 when St Neots St Mary's became the first winners and by the end of the sixties decade the names of Haynes, Wyboston United, Dunton and Clifton had been added to the roll of honour.

During the 1970's a further ten different teams names were engraved upon the cup, seven alas are no longer in existence, Tempsford, Queens Athletic Reserves, Northside Athletic, Arlesley Youth Club, Clapham Sports Reserves, Bedford West Indians and White City.

The other three winners being Renhold Reserves, Woburn Reserves and Elstow Abbey all of whom still have teams in membership of the league today.

The 1980's was to see the now defunt Haynes in season 1985-86 become the first club to win the cup twice, a feat that was quickly eclipsed by Riseley Sports who lifted the cup in both seasons 1987-88 and 1988-89.

Amongst the other names to go onto the roll of honour were Westoning Reserves in season 1982-83. Alas to be joined by another six clubs who no longer ply their trade today in the shape of Allens Reserves, Goldington Electic, Brickhill Tigers, KC Sports, Biggleswade Town A and Blunham.

NB. The 1980's Brickhill Tigers having no connection with the Brickhill Tigers of today.

The 1990's were to start with a win for tonight's hosts in the shape of Biggleswade United Reserves, whilst the 1991-92 winners were Kempston Town who are now playing under the AFC Kempston Town and Bedford College banner in our top two divisions.

1992-93 was the season of the Wet Winter and no competition held and just 12 months later Clifton became only the third club to have their name engraved on the cup for the second time following their previous success in 1969-70.

By the end of the decade, other new names engraved onto the cup were the now no longer in existence North Park Rangers, Olympus Sports, and Thurleigh Casuals plus Ickwell & Old Warden Reserves and Wilshamstead alongside Woburn Reserves joining the list of double winners in season 1995-96.

Since the turn of the century, Woburn Reserves became the first team to win the cup three times with their 2000-1 success but the trend of winners who later folded continued via Corinthians 2002-03, Duke Sports 2003-04, Denbigh Hall S&S Club 2004-05, Marston Social 2005-06 and last seasons winners AFC Turvey.

The other winners being Bedford Salvation Army Reserves in 2000-01 who of course now only run one team under the Bedford Sports Athletic banner today. Whilst Westoning Recreation Club Reserves claimed their second win in season 2006-07

In season 2007-08 Great Barford were the winners and just 12 months later in 2008-09 Meppershall Jurassic who now play under the name of that new Brickhill Tigers banner today were the victors.

In season 2009-10 another new name was engraved on the cup in the form of Bedford Hatters but it was back to normal in season 2010-11 when Westoning Recreation Club saw their clubs name engraved for a third time.

The Road to Second Meadow for tonight's final

Round One Action Saturday 12th January 2013.

The top scorers of the day were Queens Park Crescents who ran out 5-3 winners away at Woburn Athletic despite a brace of goals from Martin Holland and a strike from Daniel McClaren. They will now travel to face Westoning in round two after they emerged 2-1 extra time winners at Potton United Reserves, Freddie Robinson for United and Ian Buckingham for the visitors netting inside the normal 90 minutes before David Stewart hit the extra time winner.

Life was also sweet on the road for **Marabese Ceramics**, they ran out 3-1 winners at Sundon Park Rangers thanks to a hat-trick from Lewis Littlechild against a lone Rangers reply via Nicky Buttiegeg. The Tilemen will now be at home against Bromham United in round two.

For St Joseph Reserves it was a 2-1 home win over Eastcotts AFC, Colm O'Boyle and Craig Nash netting the vital goals against a Tony Milloti reply to give them a home tie in round two against Cranfield United Reserves who were 3-1 home winners over Stopsley Park. David Anderson with a brace plus Stephen Mullen doing the damage after Nathan Henry had given The Park the lead.

Round One Action Saturday 9th February 2013.

In the lone outstanding round one tie, **Oakley Sports M&DH Reserves** earned themselves a home game at the quarter-final stage against Meltis Albion with a 5-1 home victory over Goldington. Matthew Atherton with a brace plus goals from Alex Liburd, Raymond Patrickson and Dan Lupton only being replied to by Ben Flatters.

Quarter-Final Action Saturday 9th February 2013

St Joseph Reserves emerged home quarter-final penalty shoot-out winners over Cranfield United Reserves. The shoot-out being won 4-3 after 90 and then 120 minutes play had seen the sides deadlocked at 3-3. David McLeod, Josh Langlais and Tom Moloney on the home scoresheet against United replies from Steve Mullen, Josh Whetlor and James Armstrong.

In other quarter-final action, **Marabese Ceramics** were 3-2 home winners over Bromham United thanks to a hat-trick from Gary Hillard against United replies from Jahrome Mullings and Ben Robinson. Their reward being a semi-final trip to face Queens Park Crescents who won 3-1 at Westoning with two goals from Mohammed Zahar and a strike from Amman Hussain to which only Sam Childs replied.

Quarter-Final Action Saturday 16th February 2013

Oakley Sports M&DH Reserves now face a trip to St Joseph Reserves at the last four stage after emerging 5-2 home winners over Meltis Albion. Alex Liburd with a hat-trick plus goals from Alex Reynolds and John Parsons bringing up the nap hand against Albion replies via Dan Smith and Steve Goodman.

Semi-Final Action Saturday 10th March 2013

Marabese Ceramics quest for a league and cup double remains on course after they won 3-1 at Queens Park Crescents. Arin Fehmi netting twice and Gary Hillard once against a Crescents reply from Ayaz Hussain. They will now face **Oakley Sports M&DH Reserves** in the final after a strike from Dan Lupton took them to a 1-0 extra time win at St Joseph Reserves.

Marabese Ceramics v Oakley Sports M&DH Reserves League Meetings Season 2012-13

11th November 2012 Oakley Sports M&DH Reserves 1 Marabese Ceramics 3

Marabese Ceramics climbed to third spot in the division two league table when they made it three wins on a bounce with a 3-1 victory at Oakley Sports M&DH Reserves. Arin Fehmi netting all three goals against a lone reply from Alex Liburd. This defeat leaving the home side eighth in the league table.

24th April 2013. Marabese Ceramics 2 Oakley Sports M&DH Reserves 0

Marabese Ceramics kept their title/promotion hopes alive when goals from Lewis Littlechild after 22 minutes and Ricky Bruniges 19 minutes from time took them to a 2-0 victory.

Marabese Ceramics Season 2012-13

September 2012.

By the end of the opening month of the season The Tilersmen were sitting in second spot in the division two league table topped only by Woburn Athletic by virtue of the fact The Safari Boys whilst on the same number of points and having the same goal difference had scored six more goals.

The season begun with a 3-1 home win over Eastcotts AFC but was then followed by a 2-0 defeat at St Joseph Reserves before a 5-1 home win over Stopsley Park and a 2-1 win at Queens Park Crescents saw them into that second spot.

Alas the last action of September brought about their exit from The Bedfordshire FA Junior Cup at the first round stage when beaten 2-1 in extra time at Cranfield United Reserves.

October 2012

By the end of October they had dropped down to fifth place after their four league outings had begun with consecutive defeats, first losing 2-1 at Goldington who at the end of the month were now five points clear of them and leading the league table and then suffering a 7-1 home defeat at the hands of Sundon Park Rangers until they recovered well to win 3-2 at Meltis Albion and net a 4-2 home win over Westoning.

November 2012

Turned out to be just a two game month due to their postponed game at Woburn Athletic, but by the close of the month they were back up into third place in the league standings if now in points terms a further two points adrift of still league leaders Goldington who had played one game more.

Their action seeing them win 3-1 at tonight's opponents Oakley Sports M&DH Reserves and draw 2-2 at home with Potton United Reserves.

December 2012

The closing month of the year was to see them go into 2013 now placed second in the league standings just two points adrift of Goldington but now having played the same number of games. Action coming with a 2-1 home win over Meltis Albion and gaining total revenge by winning by the same scoreline at Sundon Park Rangers.

January 2013

The opening month of the year with all its bad weather saw them in league action just the once with a 3-2 home win over St Joseph Reserves to now take their unbeaten league ways up to seven games, all of which was enough to hold onto second place in the league table, the same two points adrift of Goldington who by now had played one game more.

Other January action seeing them open their Jubilee Cup campaign with a 3-1 win at Sundon Park Rangers.

February 2013

Was to see them take their unbeaten league ways up to nine games via a 4-4 home draw with Goldington and a 1-0 win at Westoning. Alas they were now in third spot in the league table, four points shy of the new league leaders Sundon Park Rangers and three shy of Goldington both of whom had played two games more.

Other February action brought about their quarter-final 3-2 home win over Bromham United in tonight's Jubilee Cup.

March 2013

With home wins over Cranfield United Reserves 2-0 and victories at Potton United Reserves 2-1 and Eastcotts AFC 2-1 it was back to the top of the league table before the closing weekend of the month saw their 12 game unbeaten run ended when losing 4-2 at home against Bromham United to allow Goldington to retain top spot on goal difference and Sundon Park Rangers to trail them by just two points but having played a game less.

Other March action bringing about their 3-1 home semi-final win in the Jubilee Cup.

April 2013

Begun with a bang with away wins at Stopsley Park, Cranfield United Reserves and Bromham United to take the back to the top of the league table. Before a home outing against Queens Park Crescents saw them defeated 5-0 and now just two points clear of Goldington at the head of the standings who also had a game in hand on them. Defeat number two on the bounce soon followed 3-2 at Woburn Athletic before winning ways were restored with a 2-0 home win over tonight's opponents Oakley Sports M&DH Reserves to leave them in second spot with promotion still very much on the cards.

Oakley Sports M&DH Reserves Season 2012-13

September 2012

By the close of the opening month of the season the league table show them sitting in eleventh spot having started the season with a 5-2 defeat at Sundon Park Rangers before home games brought about a 4-3 win over Westoning and a 3-2 defeat at the hands of Cranfield United Reserves.

However, progress had been made in the Bedfordshire FA Junior Cup via a 3-1 away victory at Dunton.

October 2012

Saw a jump of four places in the league table up into seven points with a haul of seven points from the possible 12. All starting with home wins over Eastcotts AFC 2-0 and Queens Park Crescents 6-3 before a 5-1 away defeat at league leaders Goldington was followed by a 0-0 home draw against Meltis Albion.

November 2012

Whilst Caldecote A were beaten on their own patch 6-2 in the second round of the Bedfordshire FA Junior Cup it proved to be a pointless month in the league thanks to a 3-1 home defeat at the hands of tonight's opponents Marabese Ceramics and a 7-3 defeat at Woburn Athletic to slip them down the league table into tenth place.

December 2012

By the end of the year they due to the weather they had played no further league games and were now sitting just second from bottom of the league table. Albeit on the same number of points as basement club Meltis Albion who had played five games more but just a single point shy of Potton United Reserves who had played three games more and Queens Park Crescents who had played five games more.

However, December did see them win 3-1 at Westoning in the third round of the Bedfordshire FA Junior Cup.

January 2013

By the end of the opening month of the New Year due to the bad weather league action had only been seen once via a 9-1 win at Meltis Albion, all of which was good enough to lift them up the league table into tenth spot.

February 2013

Was to be dominated by cup action, Jubilee Cup wins over Goldington 5-1 and Meltis Albion 5-2 being added to by progress into the Bedfordshire FA Junior Cup semi-finals after winning 3-2 at Queens Park Crescents. Whilst league action brought about just a 5-0 defeat at St Joseph Reserves which returned them to that second from bottom spot in the league table but with plenty of games in hand no one for a moment was seeing them as relegation candidates.

March 2013

It was to be the end of the road in their Bedfordshire FA Junior Cup journey with a 4-3 semi-final defeat at Bromham United but a 1-0 extra time win at St Joseph Reserves sees them here tonight in the final of the Jubilee Cup.

League action being just a two game programme, a 4-0 home defeat at the hands of Woburn Athletic and a 4-2 home win over Potton United Reserves to lift them in the league table into eleventh place. With just six weeks of the season left they now face the prospect of having to play another 13 league games to complete their season.

April 2013

Became a busy month starting on the opening day with a 2-1 defeat at Goldington before 48 hours later a share of the spoils was gained in a 3-3 draw at Cranfield United Reserves. Next up was a 5-0 home win over St Joseph Reserves before away outings brought about defeat at Queens Park Crescents, victory at Stopsley Park and a draw at Potton United Reserves with the month now only 17 days old. All of which left them ninth in the league table. Next up was an home encounter with Bromham United which was lost 1-0 before away outings at Westoning brought about a 3-2 win, then 48 hours later it was a 2-0 defeat at Marabese Ceramics. Whilst game number 10 of the month on the 27th brought about a 1-0 home win over Sundon Park Rangers to keep them ninth in the league table. Until last Monday the toll of having to play so many games in a short period of time told and they were unable to raise a side to visit Eastcotts AFC.

Today's Match Officials

Steve Feiger Referee
In his own words.

I am 50 years old.,have been refereeing since May 2011. I have officiated just over 140 matches so far and I am currently a level 5 and doing 5-4 promotion this year.My most memorable match was refereeing Tottenham Hotspur Legends as the team was full of my old

heroes. The best match I have ever refereed happened recently in a 4-4 draw at Potton. The match was end to end from start to finish, everyone enjoyed the match and the crowd got their money's worth, and nobody was talking about me after (which hopefully meant I did a good job).

I am married to Stephanie and have a daughter Emily who is nearly 5. I support Spurs, always look out for the results for Leyton Orient (as that is where I played as a youngster) and Dundee, as I go there every year to meet up with my golf pals. Other interests are family, friends, football, golf, snooker, cricket and horse racing. I do intend to visit every horse racing track in the UK and currently have managed 33 of the 57.

Assistants Tom Degnan

Started refereeing in October 2009 and only adult football this season. However, he has already officiated in a Charity game at Wembley Stadium. Supports Luton Town.

Jordan Cushen

In his own words

I started refereeing in August 2010. Since then I have joined the BEDS FA Academy for referees, who have helped me progress tremendously as a referee. In March of this year I gained my promotion to Level 6 and will go for promotion again this season. My most memorable match that I have ever officiated in was a charity match at Wembley Stadium! I got to lead the first two teams out on to Wembley, which is a moment I will never forget. Aside from that, I have also been lucky enough to be part of two County Cup Finals and this'll be my 3rd League Cup Final to date. I'm looking forward to today's match and wish both teams the best of luck!

Fourth Official Paul Parrott

A fine and loyal servant to The Bedfordshire County Football League over a considerable number of years. Away from Football, Polly is a fine darts player.
