Season 2022-23

News Bulletin Number 27

26th March 2023

Noticeboard

Registration Forms (covered under league rule 8)

All registrations are now conducted in Whole Game via each individual clubs Team Administrators and likewise all transfers.

Clubs are advised when making new registrations they search for the player by name and date of birth only.

The golden rule of making registrations is that if you know this player has played any previous competition football in his life then he will already have a fan. If you cannot find him, don't open a new fan, seek help to avoid the risk of making a duplicate registration and running the risk of a possible breach of league rules.

With regard to transfers please note the league will not approve any transfers under the waived banner until the leaving club has notified the league they are happy for the transfer to go ahead.

All clubs are advised/requested to check and ensure all registrations made have transferred correctly across from Whole Game into Full Time.

Clubs are not allowed to cancel players' registrations once the season has commenced; they can only leave via a transfer.

Full Time Available Players List

Clubs are reminded of the note that appears on your match day available players list which reads. " Players above are registered with the competition on the above date of this game. These may include players who are cup tied, or otherwise not eligible to play because they are under suspension- clubs should check with their County FA or on the Whole Game system for details of current suspensions."

It is the clubs 100% total responsibility to ensure they do not play players who are serving a FA suspension and the league's recommendation is they visit the Whole

Game system prior to each game to check for any suspensions in place at any given date.

Teamsheet Notes -

. Please note the names of your players must show both forenames and family names and the number of the shirt each player is going to wear in the game.

Far too many clubs in the past couple of seasons failed to display the correct number shirt against their players, please ensure this does not happen again in season 2022-23.

This season, all match officials are being instructed to refuse any sheet not completed in this manner.

Please note the exchange of team sheets should take place at least 15 minutes prior to kick off in presence of the Match Day Referee.

Result Sheets

_Please note the deadline for your entry onto the Full Time Website is within 3 days of the match. Please note loading of these result sheets must be made via Full Time. The FA App does not link into the results system and should not be used.

Thus the deadline is Tuesday Midnight following any given Saturday game.

For Monday games it would be the Thursday Midnight following and for Wednesday games it's the Saturday Midnight following.

Please ensure you spend a minute or so checking your entry as in each of every weekend last season at least one club and often up to six clubs had omitted to submit a referee mark.

Would clubs please note that when submitting your goal scorers who have netted from the penalty spot you need to tick both the goals box and the penalty box otherwise the goal does not appear in Full Time for some reason if you only tick the penalty box.

Please note all result sheets are to be retained for possible inspection during the course of the season.

Match Day Reporting of Result (covered under league rule 11B)

The deadline for this to happen is within one hour of the match finishing. To clarify the actual time the league regards this to be three hours from the scheduled kick off time.

If 2pm Kick Off then it's 5pm. If 2.30 pm Kick off then it's 5.30pm. An additional 15 minutes will be allowed when involved in County Cup/ League Cup Ties that go to a penalty shoot-out.

Please remember if you are the away side in any County Cup Tie against opponents from outside our league then your club becomes responsible for reporting the result as above. Otherwise it's just the home side.

The preferred method is by text to 07779680269 – otherwise a phone call to the same number is quite acceptable – **please refrain from leaving messages on the answer phone**, if the line is busy then please wait a few moments and redial or send a text.

Match Day information required for Press Reports etc.

When reporting the above result please provide the name of your goalscorers and any additional information such as sequence of the scoreline, time of goals, red cards, penalty misses/saves or anything unusual of note.

It would also very much assist if when you are the away team that the same information is supplied.

Postponed Games due to Unfit Pitches from January 1st 2023.

Clubs are reminded that under league rules that should your home pitch be unplayable due to adverse weather it's mandatory to switch the fixture to that of your opponents or a neutral ground if such a pitch is available.

Any home club failing to comply will be deemed without a written explanation accepted by the Management Committee to not have fulfilled the fixture and dealt with under league rule 20E.

Bedfordshire County Football League Cup Qualification of Players Rules

All clubs / teams are reminded of cup Rules 2, 3 and 4 regarding player qualification. Special attention is advised to those players who have joined your club via a transfer during the current season.

Cranfield United's lead at the head of the Premier Division supported by Sportsform league table is now down to just three points after they were held to a 0-0 draw at bottom of the table Barton Rovers Reserves and second place Elstow Abbey who have played four games fewer retained their season's unbeaten ways in winning 5-0 at Biggleswade United Reserves. It took The Abbey just 26 seconds to take the lead at the Keech Hospice Care Stadium via Scott Alleyne , a lead they doubled with a header from Glenn Tumulty on 17 minutes who then grabbed his second of the night some 15 minutes later to make it 3-0 and looking like game over.

United however came more into the game in the second period and looked far from a side struggling at the wrong end of the league standings, however Abbey via a second Alleyne goal 12 minutes from time and a Steve Gentle goal on 88 minutes made it 5-0 by the final whistle to seal their victory.

Friday 24th March 2023

A record crowd of 442 were present at the Hollow home of Potton United to witness the final of this season's Bedfordshire FA Junior Cup Final between Sandy and Sporting Carpathians Reserves. When these two sides met in league action on November 5th last it was Sandy who emerged the 3-1 winners.

Alas for the record crowd there were little fireworks to report upon in the opening 90 minutes resulting in a 0-0 deadlock, so the destination of the cup was to go down to a penalty shoot-out which many view as a marmite contest (you either love them or hate them)

Up first were the Carpathians whose Andrew Francois saw his effort well saved by Sandy goalkeeper Ricky Geers. Alas for Sandy their first spot kicker Adam Clark was to send his effort clashing against the post with the Carpathians keeper Seb Isaacs diving the other way.

The first goal of the evening was to arrive via Carpathians Tyrone Midson which was then quickly cancelled out by Sandy's Kyle Johannesen before Geers was back in action to save the third spot kick from Carpathians Kadeem Maddix and then see team mate Curtis Hassell shoot his side 2-1 ahead.

Nicolae Coviileac then held his nerve to draw the Carpathians level at 2-2 then see his keeper Issaac save the fourth Sandy penalty from Tony Norman. So it was now down to the fifth penalty takers. Peter Wilson netting for the Carpathians and Michael Turner doing likewise for Sandy. to make it 3-3 and on into a sudden death shoot-out.

Amin El-Bzimi putting his side 4-3 ahead, Sandy's Jordan Cobb making it 4-4 before Kudzai Sitambui restored the Carpathians lead at 5-4 then watch with joy as Sandy's Amin Ibrahim sent his effort way over the crossbar into the night sky.and land Sporting Carpathians Reserves their first ever Bedfordshire FA Trophy. A feat their first team will be looking to repeat when they contest the Bedfordshire FA Intermediate Cup against Kempston Rovers Reserves early next month.
