Original Jubilee Challenge Cup [1904] taken out of general circulation at the end of season 1992-1993, to be replaced by a new trophy. The new trophy was presented to the League by The Duke Inn, Kempston. The Jubilee Challenge Cup was placed in the safe keeping of the Borough of Bedford on 21st June 1995. The Cup was accepted by His Worship the Mayor, Cllr. Malcolm Evans, at the League A.G.M. held that evening.

NLS REGIONAL FEEDER LEAGUE

RECOMMENDED PROCEDURE FOR THE GUIDANCE OF CLUBS and REFEREES IN DETERMINING THE SUITABILITY OF GROUNDS IN ADVERSE WEATHER CONDITIONS

When the regional weather conditions are known to be extreme e.g. prolonged severe frost or heavy snow then the game can be postponed at the discretion of the home club after consultation with the League General Secretary. Under such circumstances, the earliest the decision can be made is the day prior to the scheduled date of the game whilst the latest is 10 a.m. on the day of the match.

For matches scheduled after 1st January in any year, if the ground has been declared unfit, the home team shall liaise with their opponents to switch the match to their opponents ground, if possible, as per league rule 20E[iii].

In all other circumstances a referee should be called in to make a decision on an early inspection, in the following order of availability:

- the **match referee** (subject to time and travelling distance)
- another more **local referee** who should not be connected with either club. Prior to reaching his or her decision the referee who is making the inspection should consult with the match referee prior to the inspection, and after the inspection to mutually agree on a decision prior to notifying the home club.

All such inspections must be made no later than 12 noon on the day of the match. For matches scheduled after 1st January in any year, if the ground has been declared unfit, the home team shall liaise with their opponents to switch the match to their opponents ground, if possible, as per league rule 20E[iii].

If an early inspection has not been carried out and the match referee arrives at the ground to find the playing conditions in doubt due to an unexpected deterioration in the weather, he or she should consult with both teams before committing to a decision.

PAYMENT OF REFEREE If a local referee is called in to inspect a pitch he or she will not be paid a fee, although travelling expenses will be paid, by the home club, when actually incurred. Should the Match Referee attend to inspect the pitch a half-fee will be paid, by the home club, if the game is postponed. If the game is played a normal fee shall be paid by the home club, plus travelling expenses when actually incurred if an early inspection is conducted,

NOTIFICATION OF POSTPONEMENT

Upon reaching the decision to postpone the game, the home club must immediately inform the League [Mr Peter Francis] on 07779680269, their opponents and, where applicable, the match officials.

REGIONAL NLS FEEDER LEAGUE REGULATIONS [2022-23]

1. LEAGUE STRUCTURE

1.1 The Leagues currently operating as Feeder Leagues are set out at the end of the Appendix.

1.2 At Feeder League level the maximum number of Clubs in each division shall be determined by the Sanctioning Authority taking into account all relevant factors. In any case, this shall not be more than 18 Clubs. The minimum amount of Clubs should be 14.

1.3 Any league wishing to become a Feeder League must apply to the FA Leagues Committee by 31st December in the relevant year in such form and /or providing such information as shall be required by the Committee from time to time. The decision as to whether or not a league should be admitted as a Feeder League shall be made by the Committee.

NLS REGIONAL FEEDER LEAGUE

2. RULES AND REGULATIONS FOR PROMOTION AND RELEGATION

2.1 All Feeder League Clubs seeking promotion to Step 6 must make an application using the prescribed form direct to The Association, copied to their existing League, by 31st December in the relevant year. In order to be considered for promotion Clubs must finish in 1st position in their Feeder League. If the Club finishing in 1st position does not wish to be promoted or fails to meet the entry criteria then the Club finishing in 2nd position will be eligible for promotion. If the Club in 2nd position does not seek promotion or fails to meet the entry criteria then Clubs down to 5th position may be considered for promotion provided that they meet the appropriate entry criteria. Clubs finishing below 5th position may not be considered for promotion and only one Club may be considered for promotion from each League. Each application must be accompanied by the agreed application fee, as determined by the Committee, which is non-refundable.

2.2 Clubs competing in a Feeder League must comply fully with the minimum requirements in force. To be considered for promotion to Step 6, Clubs must meet the requirements of Grade H and attain Grade G by 31st March in the year following promotion. Clubs can be promoted from Feeder Leagues to 6 without floodlights, provided that that all other requirements of Grade H are met by 31st March in the Playing Season in which the Club wishes to gain promotion and that the Club has the following in place:-

- Planning permission granted for floodlights.
- That by 30th September following promotion that floodlights are installed and in working order.
- A development / business plan
- Quotations / estimates for the work to be carried out.
- Funding applications submitted, if required.

Failure to install floodlights in working order by 30th September following promotion will result in a sanction being imposed at the discretion of the League of which the Club is a member. If by 31st March in the year following promotion the floodlights are still not installed then the Club will be a relegated Club and be dealt with accordingly.

3. PLACEMENT OF A CLUB IN A LEAGUE

3.1 The matter of placements for Clubs in Feeder Leagues is for the League in conjunction with its Parent Association at the point of sanction. This is save for Clubs being allocated to Feeder Leagues having been relegated from Step 6, which is a matter for the Committee.

3.2 Reserve and 'A' teams may participate in Feeder Leagues. Clubs should note the provision concerning Reserve teams at Step 6 under Regulation 7.2 in the 'National League System Regulations'.

4. MOVEMENT OF A CLUB BETWEEN LEAGUES

4.1 Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation or otherwise as set out in League Rules save with the approval of the Committee

It may be necessary from time to time to move Clubs laterally at the same Step. Each year the Committee (or sub-committee thereof) will consider whether any lateral movements may be necessary at each Step and the final decision shall rest with the Committee/sub-committee. A Club may appeal the decision of the Committee/sub-committee to an Appeal Board and such appeal shall be conducted in accordance with the Appeal Regulations.

4.2 Any Club wishing to move from one League to another must make an application in writing to the Committee on or before 31st March in each year to be effective for the following Playing Season. In the event of such application being successful, the League from which the Club is moving shall not levy a financial penalty on that Club.

5. PROCEDURES FOR THE DETERMINATION OF ANY MATTER, DISPUTE OR DIFFERENCE BY THE COMMITTEE

5.1 The Committee may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set

NLS REGIONAL FEEDER LEAGUE

out in Regulation 2. The Committee may require the attendance at a meeting or the written observations of any League or Club, as it considers appropriate to assist its determination.

5.2 [A] Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the Committee; such determination shall be final and binding subject only to Arbitration in accordance with Rule K.

[B] Any decision of the Committee shall be subject to a right of appeal to an Appeal Board. The decision of that Appeal Board shall be final and binding on all parties.

All referrals of appeals shall be conducted in accordance with the Appeal Regulations save for appeals in relation to Ground Grading decisions where the procedures are outlined in 5.2(c) below.

[C] **Procedures for Ground Grading Appeals**

i. The ratification of the Ground Grading decision must be sent in writing within 14 days of the final decision date, currently 31st March.

ii. Appeals in relation to Ground Grading Appeals must be submitted to The Association's Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The Association's National League System Department.

iii. The Committee will appear before an Appeal Board with the Appellant to respond to the application and there is no requirement to make a formal response in writing.

iv. In all cases, the Committee will submit any documentation including the Ground Grading report that was considered by the Committee in relation to the Ground Grading decision (which the appellant would already have received).

v. Dates would be set annually in advance by the Judicial Services Department for the hearing of Ground Grading appeals and details of the dates would be notified to all Clubs in the correspondence from the Committee notifying the decision of the Ground Grading assessment.

5.3 The Committee may, at its own discretion, delegate the resolution of any matter, dispute or difference arising under these Regulations to anybody it considers to be appropriate (including a sub-committee or commission which may include members of council not on the Committee or a body constituted by a County Football Association)
