PREMIER DIVISION ENTRY REQUIREMENTS

APPENDIX 'A' The Football Association has reviewed the requirements for the grounds of Clubs in the National League System. The Football Association has placed the Bedfordshire County Football League as a **REGIONAL NLS FEEDER LEAGUE** to the National System. This placement may be reviewed annually, and Clubs have until 31st December in any year to meet the requirements in full. The following is a summary of the main points of the Ground Grading document, available on the League website www.bedfordshirefootballleague.co.uk:

To provide good sized, separate dressing rooms for each team [minimum size 12 sq.m. excluding shower/toilet area] and separate accommodation for the match officials [minimum size 4 sq.m. excluding shower/toilet area]. Please note these sizes are minimum and larger areas are required for new builds – the Ground Grading document provides details of the requirements for new buildings.

Separate showers shall be provided for each team, each with a minimum of 3 working shower heads. Separate shower facilities must also be provided for the referee. There should be sufficient toilets provided for the sole use of all players, with additional toilet facilities for the sole use of the referee. Club officials and spectators must also have access to their own toilets.

The pitch should be of a good standard, conforming to the Laws of the game and be as close to 100m x 64m as possible. It must either have fixed barriers or rope on all four sides off the pitch in accordance with instructions from the League Management Committee, unless agreed otherwise. A combination of fixed barriers and rope, erected only for the football season, would be a good solution. The Management Committee will help Clubs to achieve this requirement.

In addition, all Premier Division Clubs must mark two Technical Areas on the same side of the pitch in the area adjacent to the half way line, **INSIDE THE BARRIER** leaving sufficient space for the Assistant Referee to operate. These areas may be formed by using the touchline rope, or by markings on the ground. Permitted occupants of the technical areas will be named substitutes and a maximum of three [3] club officials [eight {8} people in total]. Any person acting as a physio/emergency first aider within the technical area **MUST** be identified to the referee when the

Team Sheet is submitted. Minors under the age of sixteen [16] are not permitted. Smoking or the consumption of alcohol are prohibited.

Occupants of the technical area are always to behave responsibly. Misconduct by any occupant of the technical area will be reported by the referee to the FA.

PREMIER DIVISION ENTRY REQUIREMENTS

APPENDIX 'B'

In addition to any requirements of The Football Association, the following are League requirements:

The Standard Match Ball, as specified and provided by the Management Committee, or one to a compatible standard, must be used in all Premier Division matches.

Wherever possible, Registered Referees shall be appointed to all matches as Assistants.

The home team must provide refreshments for the Match Official[s]. This may be a hot or cold drink and hot food or a sandwich after the game.

The home team shall also provide after-match refreshments for their opponents. Unless the opponents have notified the home Club, they will be expected to remain for the refreshments after the match. An away Club must not do this on a regular basis.

The Management Committee shall consider any failures to comply with the above under Rule 6[I].
