Brian Buck Travellers Tales

73. (13,454) Thursday 30th September 2021. Potton United Reserves 7 Stopsley United 3 (Bedfordshire Intermediate Cup 1st Round) att 35 approx. This match was moved back from the previous Saturday due Potton having an FA Vase match on that day. Perhaps had it been played on the original day then perhaps Stopsley may have given a better account of themselves as I am sure that generally they are better than they showed tonight. This is taking nothing away for Potton, who were at times superb tonight and some of their passing was wonderful. Stopsley did take the lead on 20 minutes, but four minutes later Potton scored three times in six minutes and it was then effectively game over. Stopsley were slightly unfortunate that these three goals were perhaps wind assisted as at that time in the game it was very strong as brief rainstorm passed over the ground. A fourth goal followed just before the break. In the second half and as the wind eased a bit Potton still dominated but now Stopsley

saw more of the ball, pulling a goal back on 59 minutes. However, on 71 minutes Potton had another burst of scoring and the rattled in another three goals in four minutes. Stopsley then got the final goal on 89 minutes, thus doing their part in this enjoyable match.
